Special Edition Fine Art Portfolio: *The Portraits-Volume One*

The essence of the proposed Maine Woods National Park is forever captured in this collection of fine art photographic prints by Thomas Mark Szelog from the *Maine Woods National Park Photo-Documentation Project*. The portfolio includes a select group of ten signature prints of wildlife portraits, approximately 8 1/2" by 5 1/2" each, set in 11"x14" white archival matting. The artwork conveys a mastery of the medium and a unique personal vision. Each print is signed and the collection is packaged in an archival presentation box. The prints are produced at Bear Brook Cabin, combining traditional film photography with advanced digital printing, using archival materials.

Price
